NEW and UPDATED Content in the Security Channel

Because credit unions need to be better prepared to protect themselves from cyber threats, we have updated the **Security Channel** in InfoSight by adding *Cybersecurity* as its own topic and providing additional information. We have also moved the "FFIEC Cybersecurity Assessment Tool" under this new topic. Check out the changes in InfoSight today!

NCUA Issues Regulatory Alerts Re: HMDA Requirements

NCUA issued two Regulatory Alerts on credit union requirements for submission of Home Mortgage Disclosure Act (HMDA) data. One (<u>22-RA-02</u>) covers submission of 2021 HMDA data, which is due to NCUA by March 1. The other alert (<u>22-RA-01</u>) covers HMDA collection requirements for 2022.

DHS launches Cyber Safety Review Board

The <u>U.S. Department of Homeland Security has announced</u> the establishment of the Cyber Safety Review Board (CSRB), as directed in President Biden's Executive Order 14028 on Improving the Nation's Cybersecurity. The CSRB is a public-private initiative that will bring together government and industry leaders to elevate national cybersecurity. The CSRB will review and assess significant cybersecurity events so that government, industry, and the broader security community can better protect the country's networks and infrastructure. The CSRB's first review will focus on the vulnerabilities discovered in late 2021 in the widely used log4j software library. The CSRB is composed of 15 highly esteemed cybersecurity leaders from the federal government and the private sector.
