InfoSight's customizable dashboard puts content you select at your fingertips!

The **Telephone Consumer Protection Act** topic in the Advertising channel has been updated to include the effective date of the Pallone-Thune Telephone Robocall Abuse Criminal Enforcement and Deterrence Act (TRACED Act), which was originally published back on February 25, 2021. Compliance is now required for the previously delayed components of the Act by **July 20, 2023**. The topic content has been updated to reflect this effective date.

One of the corresponding CU PolicyPro policies (2112) for the **Marijuana-Related and Hemp-Related Businesses** topic has been updated to include the addition of an exit strategy from this type of business.

Want to stay on top of what's new in InfoSight? The InfoSight dashboard includes a customizable Recent Updates area to easily view changes to topics that are most important to you!
